Unifrog – The Complete Destinations Platform

Dear Parent / Carer,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog; an award-winning, online careers platform. All students Post 16 students now have access to this excellent website.

Unifrog brings into one place every university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs (Massive Open Online Courses) and every college at Oxford and Cambridge. This make it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They have recently added a Dutch tool to their offering allowing students to search courses in the Netherlands in a way that has never before been possible.

Additionally the platform helps students write their personal statement, applications and CVs by guiding them through the process and allowing teachers to give live feedback.

**Students accessed the tool for the first time on Wednesday 5<sup>th</sup> July using a sign-up code which is unique to their Guidance group.** They then login using their email address and password and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your son/daughter so you can support them through the process of deciding their next step.

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your son/daughter. The form code you need is: [parentoutwoodp16](http://parentoutwoodp16) and you can sign up here: [www.unifrog.org/code](http://www.unifrog.org/code)

Yours faithfully,

**Mrs J Shea**
