

APPRENTICESHIP OPEN DAY

WHERE?

Celeros Flow Technology GD Engineering

Retford Rd

Worksop S80 2PY

WHEN?

Thursday, 28th July 2022 10:00 -13:00

Celeros Flow Technology's GD Engineering brand in Worksop are offering an excellent opportunity to join its renowned Apprenticeship Scheme and gain a **Level 3 Engineering Technician Apprenticeship Standard**.

We are looking for two driven minds to work their way through this exciting career path from August/September this year. Come and join us for an eventful morning in our manufacturing facility on Retford Rd.

For more information and/or to book your place please contact:
