- To support the charity Fairy Bricks

Into Film Competition

- Showcased in the reading for pleasure circle (LRC) and on the digital notice boards campus wide.
- Entry forms and information printed and available for students in the LRC.

The competition is open to groups of school students aged 13-19 from across the UK. The aim is simple: submit a storyboard for a short film (max film length of 2.5 minutes), and Into Film will support one winning group, made up of 5-10 young people, to bring their inspirational storyboard to life as a completed short film. The competition opens on Tuesday 5 March 2024. Entries can be submitted via post (and must be received by Thursday 18 April 2024), or via email (when the deadline is Sunday 21 April 2024).
